### MEET REPORTS

#### FALCON CLUB OF LOS ANGELES "GET-ACQUAINTED PICNIC" 6 June 1981

We had 21 cars at the Picnic including 3 up from San Diego area. We would liked to have had more there, of course, but realize that some had to work on Saturday. We are still not well known yet, either, so it just takes some time.

The main thing that happened is that people got to know others with the same interests and lots of information was exchanged. Only '63, '64 and '65 cars were there, with the emphasis on convertibles and hardtops. There was one fellow there with a '63 Futura tudor that he bought new. We feel the meet was a success.

### ARKANSAS Mini-Meet Report

Roy and Pat Sword's home at Jacksonville was the site of the Sat, June 6, F.C.A. mini-meet. There were 8 Falcons present and lots of good food. The FCA ladies just really out did themselves on this pot luck. The menu consisted of sliced ham, deviled eggs, spice meat loaf, potato saled, baked beans, numerous salads and other dishes, a delicious cohe cake, a mouth watering chocolate pie, and several more great desserts. We just really had a feast.

The Arkansas F.C.A. members really broke in Pat and Roy's new den. There were babies on the large pallet Pat so kindly provided. The ladies even had a recipe exchange, The older kids played volly ball and visited.

If you havent attended one of our recent Arkansas F.C.A. mini-meets, you and your family have really missed a treat. Make plans to make the next meet NOW.

The door prizes (courtesy of Roy & Pat) was won by Dickie Shannon of Vilonia, AR FCA member #30.

#### Hot Sprints information by Linda Acrey

As some will be coming to Hot Sprints for the first time, the following suggestions are made. I have recommended only places that I personally have dined and was pleased with. Hopefully, If you decide to try any of the following, you will be pleased also. If you enjoy pleasure boating, fishing or camping, be sure to try Lake DeGray. Suggested places to stop and eat in Hot Springs

- (1) Hamilton House, Highway 7 South, Hot Springs, Phone 501-525-2727 or 501-525-1717 for reservations. A lovely place to dine, nice atmosphere, only slightly more expensive than the chain steak houses, very good food, try the cheese cake if you are a cheese cake freak.
- (2) Mc Clairds Bar-B-Q, 505 Albert Pike, Hot Springs. Phone 624-9586 Slogon is "Best in the state since 28". Good barbacue, good service, typical cafe atmosphere, reasonable prices
- (3) Coy's, Cypress and Reserve, Hot Springs. Phone 321-1414, Steaks seafood, nice bar area (5 to 11 p.m.). Good food, reasonably good service. Nice place to eat, reasonable prices, well known state wide.

CONT

Places to eat BEFORE Hot Springs along the Interstate.

- (1) Nick's Bar-B-Q Carlisle, AR, on I-40 approximately 35 miles east of Little Rock. Take the Carlisle exit and travel approximately 6 blocks. Typical cafe atmosphere. Great sandwiches. They keep a guest book so be sure to sign it.
- (2) Ed and Alma's, Benton, AR, on I-30 take the 3rd Benton exit heading west. Located on the north side of the service road. Good plate lunch very reasonable (almost cheap prices) Try the pie Nice small town cafe atmosphere. Also serves a pretty good breakfast. Well known in that area.
- (3) Glover's Caddo Valley, at the Hot Springs exit on I-30. Known for the all you can fish supper served family style.

As we have had several requests, the suggested dress for the FCA banquet is:

- a. Dressy pants suit or dress for the ladies
- b. Slacks, dress shirt, sports jacket for the men, tie is optional
- c. Children - whatever you can get them to wear that will be somewhat dressy

See you in Hot Springs

#### INFO WANTED BY MEMBERS

I recently purchased a 1964 Falcon Station Bus which is equipped with a 170 cu in, six-cylinder engine and Dagenham four-speed, column-shifted gearbox. This gear box was also used in six-cylinder Falcons, Comets and Mustangs in the mid - 60's. Are there other vans around with this drivetrain combination? My gearbox has a bad second gear.- so I need a good used replacement and would also like a factory ship manual and any original literature covering this vehicle. Can any of you help with my needs: George N. Haynes 96 Lansdale Street Rochester, New York 14620
